

## LUXURY SUITE BOOKING INFO

	<b>Weekdays/Sundays</b>	<b>Saturdays</b>
Rental Rate	\$500	\$750
Betting Vouchers Included	\$100	\$250

Our well-appointed luxury suites are located in the grandstand overhang on the third floor. There is a lift to the second floor, however, access to the third floor is via stairs.

The suites contain a fridge, bench seating with a counter, bar seating with a table and a wonderful view of the track and the finish line. There is seating for 10 guests. The fridge will be stocked with complimentary non-alcoholic beverages and upon request can be stocked with alcoholic beverages (charge by use).

A server will attend to the suites. Please note that the bar is located on the second floor, and kitchen on the main floor; service times will reflect that.

As a suite guest, you are welcome to explore the grandstand and outdoor viewing area (**please do not leave the fenced area without an escort**). The washrooms are located on the second floor and main floor.

Smoking is permitted outside to the north of the main entrance.

You will receive betting vouchers in the amount specified in the table above. You may decide on the denomination of the vouchers upon arrival. We will provide a host for a quick overview of the betting process. Betting tellers are located on the second floor and self-serve terminal in the hallway on the third floor. Bets must be placed before the post time of each race and vouchers can be checked once the judges have deemed the results official. You can also bet on races streaming internationally; you can view these races in the Simulcast areas on the first and second floors.

Children are welcome, however, we ask that you leave your furry friends at home. There are activities for kids outside (please ensure that kids are accompanied by an adult). We invite you down at the end of the third race for a stick horse race for the kids!

Derby style attire is always encouraged but not mandatory.

Your group will have an opportunity to have a photo in the Winner's Circle. We will provide further instructions onsite.
